Baker Tilly Cambodia (BTC) celebrated its 15th anniversary at Nagaworld last Friday. A grand dinner and dance were organised in which all BTC's employees cheered the success of BTC.

The event started by fun ice breaking and featured fun activities like selfie photo booth printing station, and particularly all performances on stage were performed by BTC's owned employee of respective departments. Awards were given in different categories such outstanding employee, favourite couch award, best dressed award and long years service award etc.

BTC started its operation in Cambodia in 2007, and today it is among the largest international accountancy firms in the Kingdom with total staff strength of more than 100 employee providing qualify accountancy, tax and corporate advisory services to enterprises in Cambodia.

BTC is a full-fledged professional firm with accreditation and licenses from Accounting and Auditing Regulators (ACAR), Securities Exchange Regulator of Cambodia (SERC), National Bank of Cambodia (NBC) as well as General Department of Taxation (GDT).

Oknha Tan Khee Meng, Managing Partner of BTC, in his opening remarks appreciated all employees, who are the strength and backbone to the firm. He said, "In all these years which have passed, we have seen it all – success and failures, highs and lows, celebrations and crisis, everything. But one thing which we never did was to 'give up'."

Further Oknha Tan said, "Our faith in each other and our commitment towards the firm are the factors which have bonded us as one team. I would never have been able to picture this successful journey without you people. Our awesome and amazing staff members have always been my strength and served as the backbone to the firm."
